In 1892 cattle exports were valued at

835,000,00

That is an illustration of how the American farmer's market has been ex-tended through the efforts of President Harrison's administration.

—New York Press.

Miss Maggie Eylar of Georgetown, O visiting at the Academy.

Some of the Georgia agriculturists ware anxions to take the Farmers' Alliance ont of politics. They will probably have to use a stretcher.

It is estimated that when the new electric railroad is built, people can go from Chicago to St. Louis in two hours. Moreover, it is probable that a great many of them will be giad to do

Mr. end Mrs. James Wheley are ing the latter's parents, Mr. and Thomas Fericy. The Louisville Post says: "Wish 876,000 pensioners now on the rolls, and 788,000 clamoring to get on, with many districts yet to be heard from, well may the Nation hold its breath and exciaim, whither are we traveling? With \$300,-000,000 paid ont next year it will be only a little while until another \$150,-000,000 witi be added to the Government burden for this purpose. There never was in any country such a charge put Misses Grace and Etta Andrews of Georgetown, O., were the guests of Miss Belle Smith of West Third street yester-day. upon a people, and it is to be wondered at that the voters of a country demand a change of administration? Only three months more and this rioting wiii forever end."

The Washington correspondent of The Louisville Times, Democratic, says the state bank tax plank in the Democratic platform is likely to be the caus of a good deal more trouble than was anticipated by the convention which Talks with a number of adopted it. Democratic Representatives show that a great difference of epinion exists on question. Many Democrats from the East and West are absolutely opposed the Kast and West are absolutely opposed to doing anything whatever with reference to state banks, while many Representatives from the South, voicing the demande of their constituents for a larger currency, insist that the plank the Democratic platform shall be given practical effect. Representative Livingston of Georgia said that he was in favor of keeping this and every other pledge given to the people. The people, he added, were now studying polities, and the party which did not keep its wonid be left behind at the

THE LEDGER extends its sympathic THE LYBGER extends its sympathles to Senator Blackburn and Congressman Paynter. Their lives will be made miserable for the next six months. Just listen to the "tale of wes" told to The Courier-Journal by n prominent

The Coherepresumably our own Jo Blackburn:
I have received hundreds of letters from jay istee from men who want official piaces under the next Administration. Many of the writers are personally known to me, and not a few are warm personal friends who have always been kind and good to me, and to whom I owe my seat in the Senate. I do not blame these gentiemen who write to me and sak my add to help them to a place. They have as much right to ask for an office as I had to a sak them to assist me is my canvass for the Senate. U.S. TREASURY.

The Secretary Makes His Annual Report to Congress.

An Available Cash Balance of One Hun dred and Twenty Millions.

Washinston, Dec. 8.—The annual re-port of the secretary of the treasury shows that the government revenies from all sources during the past fiscal year were \$429,805,800, and the total expenditures \$419,805,800, leaving a sur-plus of \$9,914.54. With the cash made, the national made, the national made in the part of pins of \$8,914,854. With the cash balance, the national bank redemption fund and a .few small items administration of the sample as \$40,754.68,846.4 this surplus was \$40,754.68,846.4 this surplus was \$40,754.68,846.1 the sampled to the redemption of rowship and the sampled to the redemption of rowship and the redemption of \$82,675.7 the principal losses being customs receipts \$43,098,241, and in profits on coingg \$8,751.479. On the other hand there was a gain of \$8,28,251 in internal there was a gain of \$8,28,251 in internal states of the redemption of \$4,000,000 and in \$2,412.74. In the collisionary expenditures there

years accounted fastes, drawbacks, census, quartermaster's supplies and interest of the public debt, the decrease in the last item alone being \$13,10,00.

For the present fascal year the revenues are estimated as follows: "From the present fascal year the revenues are estimated as follows: "Promes are estimated as follows: for the present fascal year the revenues, \$103,000,000; from mixellaneous sources, \$20,000,000; from postal service, \$80,383,350.44. Total estimated revenues, \$403,350.50.45. The expenditures for the same period are estimated as follows: For the civil casabilhiment, \$100,000; for the civil casabilhiment, \$100,000; for the ludian service, \$9,000,000; for postal service, \$9,00

The estimated receipts, says Secretary. Foster, are based upon conditions prevailing prior to the late election. Plab loophion basing decreed a change of policy, particularly in the tariff laws, from reador it impossible at the present time to estimate the annual income with any marked degree of accuracy and it is impossible to predict the effect that such proposed radical changes would have upon the future revenues of the government. The secretary further tariff reduction agitation will be a failing off in importations and in revenue, the extent of which no one can measure.

RABBI WISE PRAYED.

RABBI WISE PRAYED.

Only Twice Has the House of Representatives Had This Experience.

When the House of Hepresent Had The Experience.

When the House of House of House of House of House of House gave way to Dr. Wise, president of the Hebrew college of Clininati, to open the assain on this prayer Wednesday. Only once before in the history of the house has this occurred. That was during Milton Saylor's term as peaker, when he told the chaplain that a friend of his would offer the morning prayer. The chaplain was asserted that the house has the courted that the house has the courted that the house has the present that a friend of his would offer the morning prayer. The chaplain was as rabbi of the Jewish faith. In that instance also the priest was from Cincinnati. An unusual incident in the populing proceedings in the senate was the opening preserging and the privilege of countries of the preserved that the senate was the opening preserging in the senate was the opening preserging and the privilege of countries of the preserved that the property of the preserved that the property of the preserved that the preserved the preserved the preserved that the preserved that the preserved that the preserved the preserved the preserved that the preserved the preserved that the preserved the preserved the preserved the preserved that the preserved t

THE STORM-KING

A Heavy Snow-Fall Followed by a Genuine Blizzard.

Winds Blow a Terrific Gale in the West P

Kanaa City, Dec 8.—The first real blasard of the winter is now prevailing over the west and southwest, and par-ticularly in Kanasa.

The storm of Wednesday in that state has been one of the most intense blis-areds that has been experienced for many years. Dispatches from all parts are belated or blookaded, and that live stock is suffering from exposure and cold.

of the state are to the effect that users believed or blockackd, and that live are believed or blockackd, and that live are believed or blockackd, and that live are believed or blockackd, and that live and ordinances of the city.

Tuesday night the temperature began to fall and the rain, which had been failing for twelve hours, turned first to siete und then to snow. Then came a northwest wind, amounting almost to a gaie, and all the conditions.

Those conditions prevailed all of Tuesday night and continued Wednesday.

The high winds have blown the anow hinto huge drifts in the northern part of the state, and all the railroads traversing that section are either completely of the state, and shall be railroads traversing that section are either completely building the section are either completely building the section are either completely building the section are either constituent to the state of the tasts of the state of the s

and that the shorm is general through-out Okinhousa.

OMABA, Neb, Dec. 8.—The storm of Tuesday night and Wednesday has sub-added sufficiently to enable some idea of the actual being gained. Within a ra-dius of 160 miles of Omaha it partook of the nature of a bilizard, although the For about fourteen hours the anow fell in diving clouds, carried along by a stiff gale from the north. Reports received here Wedneaday night from points touched indicate a general block-sade. In this city traffic was generally suspended and the alectric street car lines are so thoroughly blockaded that it will be at least two days before they are run again.

the snow is so deep in some places of early trains.

THE AGREEMENT

Between the United States and Great Britain Concerning Armanent on the Washinston, Dea S.—The president Wednesday, in answer to a resolution, transmitted to the senate the report on the agreement between the United States and Great Britain coherening armanent on the great lakes. The resolution called expilelly for an opinion to the armangement of 1817 is now held to be in force. The accretary of state, in his report Wednesday, states that the correspondence exchanged in 1814 shows that it is or segarded. It does not appear, he says, that my British or Canadian vessels are now or have been for many terrecommends, in view of the long lapse of time and the vnat changes wrought in these and other no less important regards, that the arrangement now grown obsolite in practice and sarrying in the letter only as a declared guarantee of international peace, or things.
